

JOB DESCRIPTION

Job Title: Litigator

Department: Cavity Wall and Financial Mis-selling claims

Reports to: Operations Manager

Job Summary:

We are seeking experienced litigators to join our growing, professional and supportive legal teams established in the heart of York city centre.

The successful candidate will be a confident litigator who is either a solicitor, chartered legal executive or qualified by experience. They will have a track record of managing a caseload of issued Fast Track and preferably Multi Track claims.

Our growth is based on an increasing workload in the areas of Cavity Wall and Financial Mis-selling claims and would suit a professional negligence or personal injury litigator who has the skillset and attitude to apply themselves in a new area of law.

Key accountabilities:

- Progress a litigated caseload of predominantly Multi Track Cavity Wall Insulation and/or Financial Mis-selling claims in an efficient and effective manner.
- Negotiation with third parties, their insurers or solicitors to achieve the best outcomes for our clients.
- Managing the whole litigation process.
- Liaising with Counsel and other experts.
- To adhere to and contribute to internal processes.
- Contribute to business objectives and profitability.
- Provides a high level of client care.

Person Specification:

- Excellent time management and communication skills
- Commitment to deliver excellent client and operational outcomes.
- Proactive team player.
- Confident and experienced litigator.
- A qualified solicitor / chartered legal executive or qualified by experience.

Benefits

- Competitive basic salary
- 20 days holiday per year (that increases with service), plus bank holidays, plus Christmas closure

- Company sponsored Health Cash Plan
- Flexibility around start/finish times
- Modern office in excellent city centre location
- Friendly, professional and supportive culture
- Social events such as “Fizz Friday” and York races
